The most resourceful way to find housing is to visit [apartments.com](https://www.apartments.com) or [rent.com](https://www.rent.com) and put in our medical school zip code of **23507**.

This will pull up a list of apartments within walking distance, as well as a few with only a short drive to campus.

Below you will find a list of apartments our students reside in when they are not able to live with us here at Campus Housing.
