# QUIET HOURS & COURTESY HOURS AGREEMENT

Every resident has the right to be able to study and sleep when they choose. Quiet hours are considered vital and important for studying and sleeping here at EVMS Campus Housing. Tenants should make every effort to be mindful of the volume of noise they produce inside their apartment, in the parking lot and all common areas of the complex. Therefore, all residents and their guest(s) must make sure they are being courteous and respectful to everyone in the living learning community.

**QUIET HOURS ARE AS FOLLOWS:**  
**SUNDAY – THURSDAY: 9PM – 8AM**  
**FRIDAY – SATURDAY: 12AM – 8AM**

All times other than quiet hours are known as "courtesy hours." During this time, it should always be quiet enough so that anyone who wants to can sleep or study. Tenants are expected to respect the requests of others for quiet, and share in the responsibility for developing and maintaining a positive atmosphere in their apartment.

Tenants are highly encouraged to respectfully and civilly request that their neighbor lower the volume of the noise level if they reasonably determine the noise is disturbing. When asked to lower the volume of noise, tenants must comply and respond in a respectful and civil manner. Failure to comply with such a directive will result in being referred to the Campus Housing Manager.

- 1st Offense – Warning from the EVMS Campus Housing Manager
- 2nd Offense – Letter to the Associate Dean of Medical Admissions and Students
- 3rd Offense – Could result in non-renewal of lease and/or removal from EVMS Campus Housing

**By checking this box, I agree and consent to follow the quiet hours policy outlined above. I also agree to respect the courtesy hours. Finally, I have read this agreement in its entirety and understand the process should I fail to comply with the quiet hours agreement.**
