**It is required you obtain renters insurance prior to moving into your new apartment.**

You may establish renter's insurance through a provider of your choice. Every tenant or non-tenant occupant (over the age of 18 years) MUST have **\$5,000 per person** in coverage.

- **PERSONAL PROPERTY COVERAGE (NOT LIABILITY COVERAGE).**  
This includes spouses, boyfriends, girlfriends, etc. living with the student or resident. Often students will get liability insurance not personal property insurance. There is a difference. You will be required to show proof of renter's insurance every year you reside with us.
- **Coverage Period**  
Check your lease dates. You are responsible for maintaining your renter's insurance for the entire time you are living at EVMS Campus Housing.
- **Notification**  
The renter's insurance policy must show EVMS Campus Housing as an **"Interested Party."**

**No keys will be given to the tenant until this form along with proof of insurance has been received.**
